NUMEROUS UNCHARTED POWERLINE AND CABLE CROSSINGS ARE REPORTED TO EXIST OVER THE MATANUSKA RIVER
NOTICE
Pilots are requested to avoid flights below 1500' AGL (helicopter) and 1000' AGL (fixed-wing) from Apr 1 to May 31 and Aug 15 to Oct 31 due to large concentrations of migratory birds.
LANDING IN CHUGACH STATE PARK
The landing of aircraft in Chugach State Park is prohibited except on Bold Airstrip, located at the inlet of Eklutna Lake. Practice landings and the dropping or pick up of objects or persons using aircraft are prohibited everywhere in the park without written permission of the Director, Alaska State Parks. See Supplement for additional details.
