

## **Introduction**

Teams from the Lower 48 have found it useful to be given a “Guide.” This consists of a three ring binder containing pertinent documents for incident management within the state of Alaska. The following is a table of contents for such a guide. This is only an example and should be designed to fit the incident.

### **I.M.T. Table of Contents**

- I. Incident Management Guide
  1. Inbriefing
  2. Delegation of Authority
  3. WFDSS
  4. ICS 201- Incident Briefing
  5. IAP/ 209
  6. Suppression Repair Plan
  7. Evacuation Plan
  8. Policies
  9. Phone List
  10. Weather
  
- II. Appendix
  1. Crew Management Guide
  2. Alaska Incident Business Management Handbook (if applicable)
