An active grass fire with two trees torching was reported to Mat-Su/Southwest Area Office by 9G Base. Prevention along with one engine responded and reported the fire to be .5 acres in grass and hardwoods with intermittent spruce and spotting. Due to the distance of the spot fire it was thought that it may be a 2nd fire, upon further investigation the 22 large birch snags along with the winds were to blame. Fire was contained and controlled at .4 acres and placed in monitor status. Prevention issued a citation for an uncontrolled burn.
