Helicopter 361, with two personnel, was dispatched this morning from St Marys to the fire. The IC ordered one load of smokejumpers out of Galena, air attack and two fire bosses out of Bethel. While en route the IC called and cancelled the jumpers and J-66 returned to Galena. Around 1400 the IC requested additional resources for the fire and J-66 was again dispatched to the incident. At this time the Incident Command was transferred to the jumper in charge. The fire is currently 27 acres and 20% active around the perimeter. The Dump proper is still burning and is 60% active. Chena IHC has a short squad that was mobilized to the fire to assist the jumpers.

Note: Fire originally named Azacharok Hill.
