An update will not be provided unless significant changes in activity occur.

8/5 Long Creek Fire Contained

The Long Creek Fire started Saturday afternoon on the north side of 47 Mile Steese Highway. Firefighters working on the Long Creek Fire had a productive day Sunday and the fire is now 100% contained. The Pioneer Peak Interagency Hotshot Crew, along with the Fairbanks #1 and Upper Tanana Type 2 crews continue working to strengthen the fireline. Firefighters will be working for several more days mopping up remaining heat within this 84 acre fire. Improved mapping accounts for the increase in acreage from Saturday's estimate of 40 acres.

A Temporary Flight Restriction (TFR) is in place within a five nautical mile radius of 47 Mile Steese Highway due to fire fighting aircraft operations. Pilots should check for the latest NOTAMs prior to flying in this vicinity.

8/5 State Fire Activity Continues

Weather conditions are less favorable for fire activity; however, smoke from various on-going fires continues to be visible in many parts of the state. According to the Alaska Interagency Coordination Center, so far this year 565 fires have burned 1,137,989 acres statewide. Information about individual fires is located at <http://fire.ak.blm.gov/content/aicc/sitreport/current.pdf>.

8/4 Stuart Creek 2 Fire

Burnout operations were completed along the southern perimeter of the fire. Resources continue to patrol and monitor the perimeter around the Chena River, including boat patrol. There are 125 personnel on the fire as mop-up and rehabilitation efforts continue.

8/2 The Fair Time of Year

The Tanana Valley Fair is taking place from August 2-11 in Fairbanks. If you attend, please visit the Society of American Foresters (SAF) and State of Alaska log cabin booth (pictured at left). Firewise brochures are provided along with information about wildland fire preparedness, emergency planning, and response. Additional events are happening statewide this month where you can go to obtain wildland fire information and talk with fire personnel. Some of the events include: Kenny Lake Fair (August 16-17), Kenai Peninsula Fair (August 16-18), and the State Fair in Palmer (August 22-September 2).
