## BOOTH AT THE TANANA VALLEY STATE FAIR

The 2006 Society of American Foresters and State of Alaska booth.

The Tanana Valley State Fair in Fairbanks is August 3 through August 11. If you attend the fair please visit the Society of American Foresters' (SAF) and State of Alaska booth. In addition to the many SAF and State materials provided, the booth will host an assortment of information from the BLM Alaska Fire Service, the University of Alaska, the USDA Forest Service, the Alaska Department of Fish and Game, and other contributors.

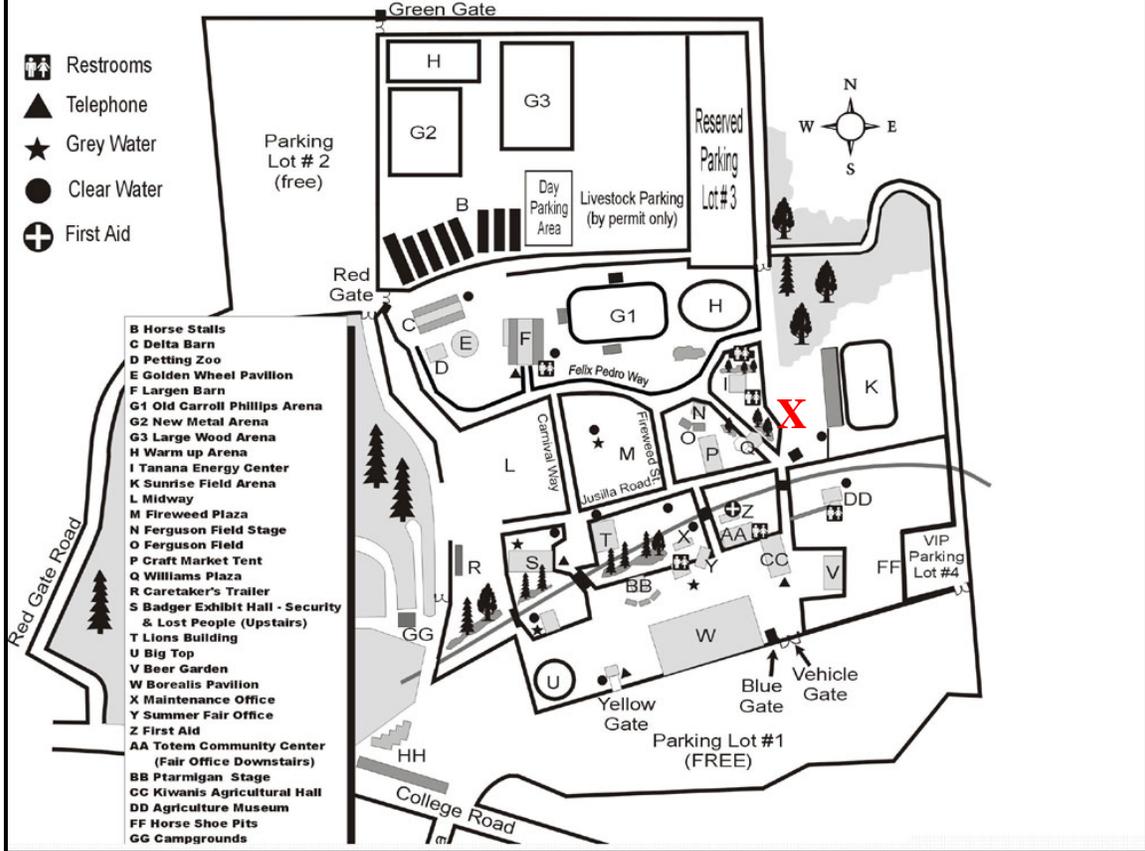

Though there is no significant fire activity in Alaska, the booth will have information about on-going projects within the Fairbanks North Star Borough for community protection from wildland fires, resource movement, measures you can take during the late-summer/fall months to remove flammable items from around your home, and more.

### CURRENT FIRE INFORMATION

Nationally, initial attack was light Wednesday and no new fires were reported to the Alaska Interagency Coordination Center. So far this year, 483 fires have burned 361,625 acres statewide.

On the next page is a map of the fairgrounds with the relative location (X) of the booth, on the northeast side.
