V. ORGANIZATION

The Member Representatives, Officers, Committees, and Groups make up the organization of the Coordinating Group. Each member agency/organization must designate an official representative to serve as an AWFCG member. Participation in Committees and Groups is encouraged, but optional. Committees and Groups may have members who are not affiliated with AWFCG, but have interest or expertise that benefit the Committee or Group.

Member representatives are categorized as voting or ad hoc. Definitions for the categories are presented in the annual SOP. The voting members must have delegated authority from their agency signatory to this MOU or authorized through other agency documents.

B. Officers

The AWFCG will establish officers to facilitate the accomplishment of its work. The positions to be filled are: 1) Chair, 2) Vice Chair, and 3) Recorder. The term for Chair and Vice Chair is one year beginning with the January quarterly meeting. Succession is from Vice Chair to Chair. Working groups concentrate on specific assignments and may or may not sunset.

VI. DECISION PROCESS

The preferred decision making process is by consensus. Consensus decision making does not require unabridged agreement by all members. However, once a decision has been reached, all members agree to abide with the group's decision and implement that decision to the extent possible within their respective agencies. It is recognized that for a decision to be implemented it must comply with individual agency's rules and regulations.
