

Appendix C. FIRE NOTIFICATION CHECKLIST

Protecting Agencies are responsible for immediately contacting the Jurisdictional Agency at the point of origin. All jurisdictions that may be impacted by the fire within the first 48 hours will be notified as soon as possible. Initial action should not be delayed if contacts cannot be made.

When a fire continues to spread after initial notifications are made, additional jurisdictions will be notified at least 48 hours prior to their lands being affected.

Protecting Units must document notification attempts. The Fire Notification Checklist below may be used for this purpose. Appropriate notification contacts are described in **Appendix B**.

Consider sharing the following items during the notification process; however, do not delay notification due to incomplete information.

- Incident Location (coordinates/ geographic description)
