Name: **Geskakmina Lake** Cause: **Lightning** Admin: **L&W**

Narrative: The Mat-Su Type 2 IA Crew arrived from Palmer today, and deployed to West Twin Lake. Additional personnel were deployed along the Kantishna River to assist with on-going cabin protection operations. Weather allowed resupply of all personnel. Crews are continuing cabin protection at Kindanina Lake, and at various locations along the Kantishna River. Due to the size of the fire, and the large number of cabins in the area, a high potential for threats remain with a possible return to warmer, drier weather. Total of personnel on fire 71. Total acreage gained 113 acres.

Assigned Crews: Mat-Su Type 2 Assigned: 8/8

Narrative: A reconnaissance of the fire perimeter closest to the Reindeer Lake allotments shows that the fire is cooling and going out in several small drainages. The western edge of the fire is still quite active but backing into a southwest wind. All SMJ's have been demobed as of 8/9. Two type II crews and a B-212 helicopter are on the fire, working near the lake setting up allotment and cabin protection. A staging area in Holy Cross is supporting the fire and there were 41 people working on the fire. +60,000 acres

Narrative: Crews continued to mop up 300' in along the southwestern edge of the fire from the North Fork Kuskokwim River to Scow Harry Creek. Personnel and supplies are being transported by riverboat due to limited visibility. Fire behavior was limited to creeping and smoldering due to a small amount of precipitation received on the fire. Helicopters patrolled the burnout on the western perimeter to ensure Scow Harry Creek was holding. There will be a demobe of two crews on 8/10 with a transfer of command to Type III (Dorhorst) on 8/11. There was a total of 148 personnel working on this fire.
