Narrative: The cooler weather moderated fire activity. Isolated tree torching with creeping and smoldering ground fire continued to be observed. Chena Hot Springs Resort and adjacent private lands and structures continued to be threatened as the fire advanced, despite the weather. Up to 53 structures in the West and North Fork of the Chena River area remain threatened. An additional 22 structures in the Angel Creek area remain threatened depending on weather conditions. Structure protection continued and evacuation planning with local contacts began. The public meeting on 7/4 was well attended with good local participation and media coverage. Another public meeting is scheduled for the evening of 7/6. A total of 257 personnel are assigned to the fire.
