Narrative: Morcom's Type 2 Team took command of the Central Complex. The team was met by the fire coming off the bluff northwest of town where it crossed the Steese Highway and on a large front of 100 ft. flames moved toward Central on both sides of the highway. Smoke prohibited air operations and all aircraft were re-positioned to Ft. Wainwright. Residents along the Steese Highway 1-5 miles north of Central were evacuated into Central. The community was placed on alert for evacuation but no orders for evacuation were given and most residents have remained in place. Residents between Central and Circle Hot Springs were alerted and remain in a state of readiness. Measures to close the Steese Highway to non-fire traffic were initiated.
