#218 Name: **Fish Hook Rd.** Cause: **Human** Admin:  
Narrative: K-61 and Troopers reported to Soldotna dispatch for a fire in Niniilchik, off Greenfield road on Fish Hook. K-61 was already in the area and responded with K-60, 353EV and helitack. Engine K-62 and prevention also responded. The fire was estimated at .3 ac and was contained, controlled, then left in monitor status.

#163 Name: **Parks Hwy** Cause: **Human** Admin:  
Narrative: Fire activity remained moderate with steady winds and clear skies. The fire remains within 1/4 mile of the cabins and allotments near the mouth of the Wood River, however, has not crossed to the East side of the Wood River. All unnecessary equipment has been removed from allotments and cabins in the area. The south end of Division E was active, making an afternoon run, and has crossed to the East side of Tatlanika Creek. A column was visible from the Parks Highway and Nenana area. Areas along the Parks Highway corridor and East of the Nenana airstrip have engines and a crew patrolling, but report no significant heat found. Dozer line rehab work began. Cabins and allotments on the Tanana River near the mouth of the Wood River are still threatened, along with more allotments and cabins up the Wood River, to the Southeast of the Tanana/Wood River convergence. Continued high water in the Tanana River may impact the safety of camp and transportation operations. Engines and a crew will patrol for smokes and mitigate hazard trees near residences as needed, as well as mop up and rehab.

Assigned Crews: North Star Type 2 Assigned: 6/23  
Pioneer Peak Type 1 6/8
