Two firefighters were sent to allotment #6 for structure protection on the Rat Lake Cabin and the Midnight Sun hotshots provided protection on allotments #7 and #8. A Red Flag Warning was issued for the fire vicinity from 1800 until midnight. Due to the heightened winds air attack was ordered over the fire in the afternoon to monitor fire behavior. The fire had the use of one less helicopter as 6PF was out of service with mechanical issues. The Northstar crew was released from the incident. Personnel will continue to mop-up and secure the perimeter around the remaining allotments during the next operational period.
