Narrative: A resident from Ft. Yukon reported a five-acre fire burning southeast of the village. Smokejumpers, air attack, a lead plane, and a heavy air-tanker were dispatched to the fire. Strong winds from the north caused the fire to grow rapidly. Sixteen smokejumpers and aerial resources were able to secure the right flank of the fire along a lake and were working to secure the left flank and tail. The Pioneer Peak IHC and helicopter N36PF were mobilized to the fire and several loads of para-cargo supplies were received.

Tomorrow the Pioneer Peak crew will begin to work the east flank which will allow the jumpers to begin securing the west flank. Two Type 2 crews will be mobilized to the fire and an additional Type 2 helicopter will arrive.
