Narrative: The fire was reported on 9/10 by Palmer 911 to an off duty dispatcher as a 30' x 30' burn. VFDs were on location and extinguishing the fire. Due to unavailability of resources, Forestry was unable to respond at that time. Forestry responded to location on 9/12. Upon arrival, personnel discovered an attended Class C burn. The contractor was burning in compliance with permit guidelines and Forestry took no action. Since the VFDs did take action on 9/10, the fire is classified as a VFD and declared out.
