After hours Nikiski Fire Department requested DOF to respond to a reported brush fire between two apartments. Enroute Forestry engines were stood down by the FD and only prevention responded.

DOF responded to report of smoke after hours. DOF engine and Prevention responded. Upon arrival Prevention made contact with landowner who was burning within the permit.

The fire was reported by Palmer 911 as trees on fire. Forestry engines, Prevention, and Central FD responded. Upon arrival, the fire was found creeping in grass and mixed hardwoods. Forestry personnel worked an engine down to where mop up could be completed. The fire was contained, controlled and placed in monitor status. Due to the proximity to a 4-wheeler trail, Prevention determined that the probable cause was exhaust.
