Helicopter 212HL responded to the fire from Iliamna due to weather and proximity of the fire. Upon arrival they reported that the fire behavior had increased to 75% active, running and torching with 2 large pockets at the head. ASM A-4, T-55, and T-52 responded from Palmer, while J-07 responded from McGrath and deployed 8 jumpers. Helicopter 212HL returned to Iliamna to pick-up a second load of helitack. As suppression efforts continued, the fire behavior continued to increase at the head of the fire. An effort was made to stop the head of the fire but it was ineffective. The fire is pushing to the south along the right flank. Due to fire behavior, the suppression strategy is being reevaluated. Six jumpers along with eight helitack personnel remain on the fire.
