	Owner: PRI		Admin: PRI-Private	
	Name: Slumber		Cause: Human	

The fire was reported by Palmer 911 to the Mat-Su duty officer as a structure fire that had spread into the wildlands. Palmer FD and one forestry engine responded. Upon arrival, forestry personnel discovered the wildland fire to be burning in spruce. Personnel contained and controlled the fire at .1 acre. Personnel checked the fire later in the day and found no heat or smoke. The fire was placed in monitor status due to foam covering the area.

Prescribed - AFS
