Friday 4/17 at 1810 the Duty Officer for SWS received a call from MSS Dispatch that they had a fire report from the Togiak VPSO that there was a grass and tundra fire near the village of Togiak. The Duty Officer also received a call from the Dillingham State Troopers with the same information. Both calls said they did not need assistance at this time. The FMO for SWS was notified and consequently made calls to the VPSO confirming his situation. It was noted that the fire had started from a burn box at the landfill. It was 100 acres at that time and when the VPSO and VFD arrived on scene they could not catch the fire. The winds were approximately 12 mph and blowing the fire away from the village. Twenty volunteers were on the fire with handtools. The weather was expected to change to rain and snow and therefore they still did not request assistance.
