Locals reported smoke in the area to the pilot of 909AK upon his arrival into Nikolai. 909AK launched and confirmed that there was a fire approximately 2 miles east of the town. The fire plotted in Full protection, and helicopter 212HL launched from McGrath. The IC reported that the fire had been burning for a few days, and had burned deep. The fire behavior was smoldering in heavy white spruce and tundra, with light winds out of the Southeast. No structures were immediately threatened, and the fire was approximately 2.4 acres in size. Due to the predicted weather for tomorrow and the fires characteristics, the tentative plan is to get a Type 2 Crew in place.
