Report of structure fire with potential spread to the wildland. DOF engines responded to the structure which is out of service area. Structure was fully engulfed, minimal wildland involved. Engines monitored fire, but smoke from structure was heavy, so they cleared the scene. DOF engines returned in the afternoon and worked 4 hot spots surrounding the remains of the structure. The wildland is secure at this time. Structure is still burning and smoking. DOF will return tomorrow to monitor.
