The remaining two Type 2 Crews were shuttled into the fire, and all crews were mobilized into place to begin structure and allotment protection. Later in the evening, the fire had merged with fires 200 and 209. The fire was running, torching, spotting, and mostly active where fire 209 and 191 had combined. Fire personnel began to work towards their suppression goals, while also mopping up spot fires as they arise. Plans for tomorrow consist of finishing allotment protection, and moving south and west towards the allotments further down the river corridor. All acreage and fire information for fires 209, and 200 will be reported under this fire from now on.
