#258 Owner: County Name: Kidder Barrel
Unit: AKAKS-Kenai Peninsula Borough Cause: Human

During patrol, DOF Prevention found a 2 x 2 unattended debris burn. The land owner was not in compliance with burn permit regulations. The landowner suppressed the fire, and the fire was contained, controlled and called out.
The fire was looking really good this morning with the help of precipitation last night and early today. The IC trainee reported having a sufficient amount of personnel and aircraft assigned to the fire. The crews continue to construct handline around the fire. The west side is the most active and requires a lot of chainsaw work in handline construction. Estimated size at end of shift today was 3800 acres.
