Currently, the fire is being staffed by a squad of Midnight Sun and 14 Smokejumpers. Per the IC, the fire has a 40% active perimeter, smoldering, and is very finery. The fire has received light precipitation for several hours. The fire is heading east toward a handful of allotments, and it is the IC's goal to secure the perimeter primarily on the left flank. The Midnight Sun squad and smokejumpers utilized two Fire Bosses and A/A 4NC as well 2 medium helicopters to shuttle crews around the fire. The IC plans to continue the use of the helicopters to help the crews get around the fire.
