 # 113 Name: **Livingston** Cause: Lightning

Crews tied line around 80% of fire. Crews started working on multiple green pockets on the edge and interior, cutting around areas to prevent flare ups. Fire received requested type 2 crew and sling loads of supplies from H-73HJ. H-73HJ also moved back haul off the fire and demobilized 8 smokejumpers.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
