A US Customs Agent called Tok Forestry to report a smoke column west of the US/Canadian Border. Due to the fire being reported being close to the Top of the World Highway and the Border a nonstandard response was taken. Two loads of jumpers, two retardant tankers, and an ASM were all ordered for the fire. The fire was reported to be 25 acres with active torching and long-range spotting at the head. Several hunting cabins are in the area of the fire and could potentially be threatened if the fire makes a greater push. Both loads of jumpers were placed on the fire and will staff it overnight.
