At Kindanina Lake (Division K), Smokejumpers, TCC T2IA Crew, and FPP Suppression Module continued with mop up around the structures and the direct line extending to a small lake to the west. Chena IHC and White Mountain T2IA Crew planned and prepared for burnout operations along the indirect lines should weather and fuel conditions support such tactics in the next few days. Smokejumpers on the Tanana River (Division T and W) prepared allotments for future point protection and established helispots. Smokejumpers from Division T were then relocated to Iksgiza Lake (DIV I) to protect structures during future potential burnout operations. Midnight Sun IHC and agency jet boats demobilized from the fire today.
