Report of a fully engulfed cabin came in from AST. requesting our response. DOF Engine responded. Anchor Point FD arrived on scene and suppressed the structure. They reported two trees had torched but the fire was knocked down and the wildland was no longer a factor. DOF engine was released and returned to station. The fire was called contained, controlled and was placed in monitor status.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
