Fire was reported by Mat Com (911) as fast moving grass fire. 117AM and one engine responded to location to discover a structure fire that had minimal escapement to the wildlands. Forestry stayed on location until it was determined that the structure fire was out, checked adjacent wildlands to make sure the fire was out. The cause of the fire was determined to be a propane tank or gas tank that exploded. The fire was turned over to the landowner and called administratively out.
