**Dispatchers** - Please use for referencing and receiving Smokejumper supply orders. Some Smokejumpers will utilize this form and some will not. It will be up to the ordering personnel to decide which ordering process to use. Having had slower then normal seasons the previous years I would like to try is again. If this ordering Cheat Sheet is making ordering items more complicated just let the ordering personnel know and the order can be placed as usual. At this point only Smokejumpers have been distributed this cheat sheet, will distribute for widespread use once tested.

**Smokejumpers** - Please try out this new ordering form, designed to make sat phone communications shorter, simplify the ordering process and to list commonly ordered items. Composed with input for dispatch. Place orders in order, Phonetic, Additional Items, Micro Purchase. This assists dispatch in filling the order. If utilizing this form complicates, extends or confuses the ordering process, scrap it. Feel free to send your gripes, comments and opinions to my mailbox, rordonez@blm.gov
