Received multiple reports of fire near the Elliot Highway. J-90 and other aerial resources reponded. J 90 deployed six smoke jumpers onto the fire with a initial strategy of full supression. Fire bosses also engaged the initial attack of the fire. Fire is estimated to be around 5 acres and 75 percent active burning in a fuel type of hardwood mix and brush.

Pogo Mine security reports that there is a wildfire near Mile 19 Pogo Mine Road. Aircraft diverted from the George Creek fire and determined there to be a 150 acre fire burning in a Modified protection area. Since there were no values immediately at risk, and there were multiple other new starts, no further action was taken on this fire.
