Fire activity was moderate with observed smoldering and isolated torching. Crews successfully installed water application systems around several residential structures while continuing to work point protection on other structures at risk. The borough issued notice for residence in areas south of Salcha along the Richardson Highway to prepare for evacuation. Resources will continue point protection efforts of residence structures and military assets between the Blair Lakes area and the Tanana River.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
