Narrative from 6/1/2026: The incident was initially reported as a vague grass fire of unknown location. The report was received via text, with limited information suggesting the fire may have been near Shaktoolik within the Galena Zone or somewhere in Southwest Alaska. Attempts to contact the reporting party were initially unsuccessful. Subsequent contact was made with the reporting party, who confirmed a grass fire had occurred in Mertarvik, Alaska. Community members reported that the fire had been extinguished. No immediate response was initiated. A Southwest Area helicopter will conduct a patrol of the area on the following operational period to verify the fire remains fully extinguished.
