|                   | Owner: AKPRS-Eagle Beach State Recreation Area | Cause: Undetermined        |

Narrative from 8/14/2026: Helicopter OZF flew a recon of the fire this morning and identified two smoke spots on the northwest side of the fire, as well as one additional smoke in the central interior, otherwise containment lines remained secure from the previous day. Forest Service and Capital City Fire staff returned to the Eagle Fire and continued with suppression actions. By 1600, the fire was still putting up some visible smoke on the cliffside, but it was determined that the terrain made it inaccessible for firefighting personnel. The fire remains in monitor status, and resources will return to the indent at a later date.
