KESA fire responded to a report of dark black smoke on East End Rd about mile 7. KESA chief One arrived on scene and relayed that there was large amount of wildland involvement. K-67 from Homer base responded. It appears that landowner was clearing dead grass by burning, when the wind picked up, and carried the fire over to a nearby shed. The shed burned down and caught more of the grass on fire as well. Fire was about 3/4 acre, had zero active perimeter, smoldering, a rank 1, 0 flame, winds were light with gust to 5 out of the east. Fire was called contained at 1710 and controlled at 1711. K-67 departed scene back to base.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
