H-120SH did another recon of the fire perimeter. Box 33 near Monument Creek made a run to the ridgetop, multiple active smokes were found. The southeast-eastern portion progressed down to the southwestern portion of the river. Heavy smoke prevented a flyover in that area. Near H-40 fire progressed down all sides of the base of the mining camp where the helicopter did some bucketwork for threatened structures. A structure on trespass land was threatened near R-3. IC will evaluate fire progress and need to reinstall pumps for structural protection for the next operational period.
