058 Name: **Wesley Court** Cause: **Undetermined**

Received report from AST of a grass fire in the Nikiski area. K-66, K-62, Delta-72, and H-621SH responded, in addition to CES. H-621SH determined the fire was a residential trash/woodchip pile, approximately 0.1 acres, and noted the LO was putting the fire out with a water bucket. K-66 was instructed to turn around, but K-62 and Delta-72 continued on to the incident. Delta-72 spoke with the HO, and K-62 stayed on scene to offer a size-up and perform mop-up. The fire was contained and controlled.

057 Name: **West Juneau** Cause: **Undetermined**

Report came in from a caller about smoke being seen about mile 54 of the sterling highway. AST also called with reports of smoke in the same area. H- 16930 was ER to Soldotna Forestry and was asked to fly over the area and see if they could find anything. They arrived on scene to a 1/3 acre fire burning in a man-made fuel break. Cooper landing VFD and Chugach resources responded to scene. 16930 deployed their bucket and did a fuel cycle before being released. Fire was turned over to Chugach IC and dispatch.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
