DOF and Homer VFD resources responded to a fire spreading in grass and brush located in a canyon. While enroute, ground resources requested 2 helicopters, air attack and an air tanker to support suppression efforts. Once on scene, both helicopters performed bucket work. The air tanker surrounded the fire with retardant, executed a load and return from the Kenai Tanker Base and surrounded the fire with additional retardant. Bucket work continued for several hours after the tanker and air attack were released from the fire. Ground resources utilized pumps and portable water tanks to suppress the fire from the ground as there was 1 structure immediately threatened and multiple others in the vicinity. DOF personnel stayed on the line to monitor containment.
