Today's observed fire behavior was moderate, helped by higher humidities and cloud cover. The fire is now 20% contained. Crews progressed eastward on the north and south flanks and continued securing the west flank of the fire. Boat operators continued to secure the fire edge near the Little Black River and created helispots for future crew movement.

For tomorrow, firefighters will continue mopping up from the west, moving east on the north and south flanks. Line will continue to be mopped up near the east native allotments. The edge along the Little Black River will continue to be secured. Motorboats will continue to be used for logistics on the Little Black River.
