### Cause Summary For All Fires (Includes Merged Fires But Not Prescribed Fires)

- Human: 63 Acres 37.6
- Lightning: 2 Acres 4.1
- Undetermined: 4 Acres 7.4

Total: 69 Acres 49.1
The fire was reported by MatCom (911) as an exposed burn barrel inside a 10 X 20 green house that escaped into the wildlands and was smoldering in dry grass and spruce. Forestry responded and found a fire smoldering in grass. The fire was contained, controlled and administratively called out. Prevention was requested and reported on scene to speak with the home owners.

Alaska State Trooper forwarded a fire report of a tree burning in the trail behind the Tok Senior Center. T61 and T73 responded, upon arrival found a 10 x 2ft smoldering, abandoned warming fire. Fire was contained, controlled.

Public reported smoke in the Three Sisters Campground area. IC was notified and responded to a 0.1 acre of slash burning. The fire was suppressed and called contained and controlled.

While on patrol K-71 found smoke in the Tustemena boat launch area. The smoke was coming from an abandoned warming fire smoldering in a stump hole. The fire was suppressed, contained and controlled.

Alaska State Troopers reported a structure fire spreading into the wildland. F71, F68 And H-120 responded. Upon H-120’s arrival minimal spread into the wildland was discovered and local residents were using a personal excavator to put a line around the structure. IC requested a discretionary tender to assist as home location was outside City fire protection area. Helitack and F68 assisted alongside the heavy equipment constructing line and established a wet line once tender arrived. Fire was called contained and controlled, turned back over to the homeowner.
These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
