Warm and dry conditions with NE winds contributed to fire growth of the McDonald and Clear Fires, though the Meridian was only observed smoldering. Hotshot crews continued to secure fire line adjacent to cabins and made improvements where needed. Firefighters finished point protection on a group of military assets near the Clear fire and were moved to another location in Clear Creek to do more of the same. A module and engines patrolled communities along the Richardson Highway.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
