**Structural Fire Departments  
& other Organizations**

Alaska Fire Chiefs

To: All Interested Alaska Complex Incident Management Team Applicants

From: AWFCG Operations Committee

Subject: 2027 Alaska Complex Incident Management Team (CIMT) Application  
Announcement

The Alaska CIMT will begin accepting 2027 applications on August 1, 2026 through the Alaska CIMT Application System at <https://forms.office.com/g/6B9DkqPxLA>. **ICAP will not be used for the 2027 Alaska CIMT Applications.**

The application period for the Incident Commander, Deputy Incident Commander, and Incident Commander trainee applications opens August 1, 2026, and closes October 16, 2026. In addition, all Incident Commander applicants must submit a letter of intent to their respective agency AWFCG Operations Committee member by October 16, 2026.

The application period for Command and General Staff (C&G) open August 1, 2026, and closes November 20, 2026. All other positions open August 1, 2026, and closes January 16, 2027.

Your participation as a primary, job share, alternate, or trainee team member is important on a statewide and national level. We are highly encouraging primary and job share positions amongst C&G positions to foster continual growth and customer services of the Alaska CIMT. We hope to see increased participation and individual advancement as Alaska's CIMT program continues to grow.

**Team applications must be received prior to these deadlines to be considered in the 2027 Alaska IMT primary selection and trainee prioritization process.** Applications for all positions will continue to be accepted after these deadlines but may not be considered in the selection and prioritization process. Late applications will be placed in Alternate Pools, unless required to fill vacant C&G positions.

ICs and IC Trainees will be selected by AWFCG during their November meeting. By January 2027, Incident Commanders and the AWFCG Operations Committee will select primary C&G for Alaska CIMT from the applicant pool. C&G will select remaining core IMT members and prioritize trainee applications by February 19, 2027.

All primary selections will be made annually for a one-year term; however, consideration will be given to maintaining continuity within C&G positions for three years.

Applicants will be notified of their status by March 5, 2027. Alaska Complex Incident Management Training will be held later that month. The training serves as an annual refresher on mobilization and operating procedures. It will include section breakouts and provide an opportunity to meet fellow team members and prepare for the fire season.

Thank you for your interest and we look forward to working with you. Sincerely,

Branden Petersen  
Chair, AWFCG Operations Committee
