Subject: 2022 Alaska IMT Application and Selection Status

Alaska IMT Applicants:

Happy New Year! Here is a quick update on the application and selection process for our 2022 Teams.

AWFCG has selected Incident Commanders for the three 2022 Alaska IMTs as follows:

- Alaska Type 1 IMT: Norm McDonald
- Alaska Type 2 Black Team: Edward Sanford
- Alaska Type 2 Green Team: Peter Butteri

Yesterday AWFCG reviewed and approved C&G selections for the three IMTs made by the ICs and Operations Committee in December. Selections are attached to this memo and are posted on the [AICC IMT webpage](#) and all 2022 C&G applicants are being notified of their selection status by email.

The formal application period for remaining IMT positions will remain open until January 14. ICs and C&G will complete selections for primary and shared standing rosters by February 18. Selections will be posted and announced and all applicants will be notified of their selection status by email no later than March 1.

The Alaska IMT does not make trainee selections for individual teams. All trainee applicants will be placed in trainee applicant pools and will be solicited for participation during the fire season rotation process.

The Alaska IMT application form at fire.ak.blm.gov/logdisp/teams.php remains open year-round and the submission of IMT applications in all positions is encouraged even outside of the formal application period.

Alaska's Virtual Spring IMT Meeting is scheduled for March 21-23, 2022. More information will be provided as the date gets closer. All applicants will be invited to attend, regardless of selection status.

Thanks for your interest and participation in the Alaska IMT program. We look forward to another successful year for the Teams.

Sincerely,

Norm, Ed, & Peter
