Alaska State Troopers reported a structure fire spreading into the wildland. F71, F68 And H-120 responded. Upon H-120's arrival minimal spread into the wildland was discovered and local residents were using a personal excavator to put a line around the structure. IC requested a discretionary tender to assist as home location was outside City fire protection area. Helitack and F68 assisted alongside the heavy equipment constructing line and established a wet line once tender arrived. Fire was called contained and controlled, turned back over to the homeowner.

These fires are currently in monitor status. Monitoring schedules are based on defined timeframes, but are dependent on available resources, and weather conditions. When monitoring occurs, information will be updated.
