North Point Protection group will assist in allotment protection efforts. Three primary allotments have been identified directly south of active fire perimeter on Fire 244. Crews worked one of these sites today and will go back in tomorrow to continue that work. Crews in the Lime Group resumed firing along the indirect line adjacent to the village today. The plan is to complete burning the indirect line this evening. Lime Group resources will be securing the fire edge and mopping up tomorrow as well as monitoring fire progression to the south and preparing defensive actions for allotments located to the south.
